### FISCAL ANALYSIS

#### ASSUMPTION

Officials from the **Missouri Consolidated Health Care Plan** and **Department of Social Services** assume the proposal will have no fiscal impact on their organizations.

Officials from the **Department of Health and Senior Services (DOH)** state the proposal would not be expected to fiscally impact the operations of the DOH. If a fiscal impact were to result, funds to support the program would be sought through the appropriations process.

Officials from the **Department of Economic Development - Division of Professional Registration** state having reviewed the proposed legislation and having sought the conclusion of the appropriate board(s), they are of the opinion the proposal, in its present form, has no fiscal impact on their organization.

FISCAL IMPACT - Small Business

The proposal may impact small business marital and family therapists as it would allow them to expand their practice to diagnose behavior.

DESCRIPTION

This proposal repeals a provision that was to sunset on August 28, 2006, which authorizes dental hygienists to provide certain dental treatments to children on Medicaid without the supervision of a dentist.

The proposal also allows marital and family therapists to diagnose behavior.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
